Beginning Fall Semester 2010, Rainy River Community College, located in International Falls, Minnesota will offer resident tuition rates to Canadian students from Ontario, Canada. Paying the same tuition rates as Minnesota residents will provide significant benefit and savings to students from Ontario. Those students are currently paying non-resident rates as much as 25% higher than Minnesota residents pay. The new resident rates will make Rainy River Community College a more affordable option for Ontario students.

Beyond more affordable rates, RRCC offers students options to complete the first two years of a four-year degree close to home; complete career-direct programs such as Green & Sustainable Construction Technology, Industrial Technology and Nursing. Athletes have opportunities to participate in volleyball, basketball, hockey, softball and baseball. RRCC's Rainy Hall has been newly remodeled and offers apartment-style housing next to campus.

Ontario students and advisors are excited about RRCC's new rates and the educational opportunities they open up to students from Ontario. More information can be found online at [rrcc.mnscu.edu](http://rrcc.mnscu.edu).
